Certificate of Completion

L2D Learn To Discover

This certifies that

Aaliyah Providence

Successfully completed
Machine Learning in Python

Issued by

Dr Gerold Baier, UCL,
on behalf of LearnToDiscover.ai

London,
14 November 2023

This involved 60 hours of learning covering:

Classification

Basic Concepts * Supervised Learning * scikit-learn * Random Forest * Classifier Types* Scoring * Cross-validation * Hyperparameter Tuning

Unsupervised Learning

Introduction to Clustering * Gaussian Mixture Models * Kmeans * Dimensionality Reduction * Principal Component Analysis

Final Project
